

“revolutionary hybrid supercapacitor battery E-bikes”

THE
ULTIMATE
RENTAL BIKE

Endless range

World's **fastest charging** battery pack

Safe and sustainable
technology.

Fast charging technology

What sets our E-bike apart is its revolutionary supercapacitor. With an Incredible charging speed- 80% in just 8 minutes and a full charge in less than 30 minutes- you'r always ready for the next adventure. This E-bike not only offers speed but also safety wit hits fireproof battery technology, allowing you to hit the road with complete peace of mind. The fire safety of this FastCap hybrid supercapacitor has been extensively tested by accredited laboratories under various conditions. , and no need for charging and storage in a safety cabinet so non-flammable.

Groundbreaking battery technology

Also in terms of performance the FastCap hybrid supercapacitor outperforms the lithium-ion batteries used by other brands. The battery continues to fuction in temperatures ranging from minus 20 degrees Celcius to 65 degrees Celcius , the capacity does not decrease during its lifepan and we guarantee a multiple of charging cycles that you are accustomed to with lithium-ion batteries. The smart and special included FastCap Charger ensures optimal lifespan of the FastCap battery pack

General

Frame + front fork	Aluminium
Dérailleur	No
Brakes	Drum brakes
Max. range	120 km
Weight	33kg
Removable battery	✗
Wheel size	26 inches
Gears	0
Type of drive	Chain
Average range	75 km
Battery lock	✓

Electronics

Engine position	Middle
Motor modes	Standard 3
Walk assist	✓
Electric bell	✗
Charger	42V - 25A Ostrichoo Supercharger
Motor technology	Force sensor, Speed sensor, rotation sensor
Relief	Front + rear
Max. speed	25 km/h
Wiring	Internally

Battery

Battery	15Ah (540Wh) FastCap ultracapacitor
Charging time	30 minutes
Weight	3kg
Battery capacity	540 Wh
Charger	42V - 25A Ostrichoo Supercharger
Number of charging cycles	2200

Guarantee

Warranty on the frame	4 years
Warranty on other parts	1 year
Battery warranty	4 years
Mandatory first maintenance	within 6 months
